1. Policy Name

Safeguarding and Child Protection Policy

2. Policy Aims

Huxlow Science College aims:

- To ensure that appropriate action is taken in a timely manner to safeguard and promote children's welfare.
- All staff are aware of their statutory responsibilities with respect to safeguarding.
- Staff are properly trained in recognising and reporting safeguarding issues.

OUR VISION

"Safe, happy and successful students who go on to become safe, happy and successful adults"

OUR GOAL

"At Huxlow every individual is empowered to fulfil their potential"

DEFINITIONS

Safeguarding and promoting the welfare of children is defined as:-

- Protecting children from maltreatment;
- Preventing impairment of children's health or development;
- Ensuring that children grow up in circumstances consistent with the provision of safe and effective care;
- Taking action to enable all children to have the best outcomes.

Child protection is part of this definition and refers to activities undertaken to prevent children suffering, or being likely to suffer, significant harm.

Abuse is a form of maltreatment of a child, and may involve inflicting harm or failing to act to prevent harm. *Appendix 1 explains the different types of abuse.*

Neglect is a form of abuse and is the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. *Appendix 1 defines neglect in more detail.*

Sexting (also known as youth produced sexual imagery) is the sharing of sexual imagery (photos or videos) by children

Children includes everyone under the age of 18.

The following 3 **safeguarding partners** are identified in Keeping Children Safe in Education (and defined in the Children Act 2004, as amended by chapter 2 of the Children and Social Work Act 2017). They will make arrangements to work together to safeguard and promote the welfare of local children, including identifying and responding to their needs:

- Northamptonshire County Council
- Northamptonshire Clinical Commissioning Groups (Nene CCG and Corby CCG)
- Northamptonshire Police
- This multi-agency partnership is known as Northamptonshire Safeguarding Children Partnership (NSCP).

(Keeping Children Safe in Education DfE, September 2020)

3. Legislation and statutory guidance

This policy is based on the Department for Education's statutory guidance, **Keeping Children Safe in Education 2020** and **Working Together to Safeguard Children 2018**, and the **Governance Handbook**.

This policy is also based on the following legislation and statutory guidance:-

- **The Children Act 1989 and The Children Act 2004 amendment-[Section 11](#)** of the Children Act 2004 places duties on a range of organisations and individuals to ensure their functions, and any services that they contract out to others, are discharged having regard to the need to safeguard and promote the welfare of children.
- Section 5B(11) of the Female Genital Mutilation Act 2003, as inserted by section 74 of the **Serious Crime Act 2015**, which places a statutory duty on teachers to report to the police where they discover that female genital mutilation (FGM) appears to have been carried out on a girl under 18
- **Statutory guidance on FGM**, which sets out responsibilities with regards to safeguarding and supporting girls affected by FGM
- **The Rehabilitation of Offenders Act 1974**, which outlines when people with criminal convictions can work with children
- Schedule 4 of the **Safeguarding Vulnerable Groups Act 2006**, which defines what 'regulated activity' is in relation to children
- Statutory guidance on the Prevent duty, which explains schools' duties under the **Counter-Terrorism and Security Act 2015** with respect to protecting people from the risk of radicalisation and extremism
- Section 175 of the **Education Act 2002**, which places a duty on schools and local authorities to safeguard and promote the welfare of pupils
- The **School Staffing (England) Regulations 2009**, which set out what must be recorded on the single central record and the requirement for at least one person on a school interview/appointment panel to be trained in safer recruitment techniques
- Sexual Offences Act (2003)
- Part 3 of the schedule to the Education (Independent School Standards) Regulations 2014, which places a duty on academies and independent schools to safeguard and promote the welfare of pupils at the school (Academies, including free schools, and independent schools)
- Part 1 of the schedule to the Non-Maintained Special Schools (England) Regulations 2015, which places a duty on non-maintained special schools to safeguard and promote the welfare of pupils at the school (Non-maintained special schools)
- The Childcare (Disqualification) Regulations 2009 (and 2018 amendment) and Childcare Act 2006, which set out who is disqualified from working with children (All schools with pupils aged under 8)

4. Equality statement

Some children have an increased risk of abuse, and additional barriers can exist for some children with respect to recognising or disclosing it. We are committed to anti-discriminatory practice and recognise children's diverse circumstances. We ensure that all children have the same protection, regardless of any barriers they may face.

We give special consideration to children who:

- Have special educational needs (SEN) or disabilities
- Are young carers
- May experience discrimination due to their race, ethnicity, religion, gender identification or sexuality
- Have English as an additional language

- Are known to be living in difficult situations – for example, temporary accommodation or where there are issues such as substance abuse or domestic violence
- Are at risk of FGM, sexual exploitation, forced marriage, or radicalisation
- Are asylum seekers
- Are at risk due to their own or a family member’s mental health needs
- Are looked after or previously looked after

5. Roles and responsibilities

At *Huxlow Science College* the named personnel with designated responsibility for safeguarding are:

Designated Safeguarding Lead	Deputy Designated Safeguarding Lead	Safeguarding Governor
<i>Laura Gauvrit</i>	<i>Marion Porter</i>	<i>Michael Fargher</i>

The named personnel with Designated Responsibility regarding allegations against staff are:

Designated Senior Manager (normally the Head teacher)	Deputy Designated Senior Manager	Chair of Governors (in the event of an allegation against the head teacher)
<i>Kim Isaksen</i>	<i>Charlotte Wood</i>	<i>Michael Fargher</i>

Northamptonshire Safeguarding Children Partnership Designated Officers:

- Designated Officer Administrator - 01604 364031
- Designated Officer Andy Smith - 01604 367862
- Designated Officer Christine York - 01604 362633

Channel helpline - 020 7340 7264

Safeguarding and child protection is **everyone’s** responsibility. This policy applies to all staff, volunteers and governors in the school and is consistent with the procedures of Northamptonshire Safeguarding Children Partnership

Our policy and procedures also apply to **extended school and off-site activities**.

We will include opportunities across the curriculum, including PSHE and IT for children to be taught about safeguarding and to develop the skills they need to recognise danger and know where to seek help.

We will maintain an attitude of “it could happen here” where safeguarding is concerned.

5.1 ALL STAFF

All staff will read and understand Part I and Annex A of the Department for Education’s statutory safeguarding guidance, *Keeping Children Safe in Education 2020* and review this guidance at least annually.

All staff will be aware of:

- Our systems which support safeguarding, including the staff code of conduct, the role of the designated safeguarding lead (DSL), the behaviour policy, and the safeguarding response to children who go missing from education
- The early help process and their role in it, including identifying emerging problems, liaising with the DSL, and sharing information with other professionals to support early identification and assessment
- The process for making referrals to local authority children's social care and for statutory assessments that may follow a referral, including the role they might be expected to play
- What to do if they identify a safeguarding issue or a child tells them they are being abused or neglected, including specific issues such as FGM, and how to maintain an appropriate level of confidentiality while liaising with relevant professionals
- The signs of different types of abuse and neglect, as well as specific safeguarding issues, such as child sexual exploitation (CSE), FGM and radicalisation. **Appendix 4 and Appendix 5 of this policy outline in more detail how staff are supported to do this.**
- Please refer to the [NSCP Website](#) for specific guidance on identification of neglect, [NSCB Neglect Toolkit](#) including roles and responsibilities for interventions. Please use the full suite of documents and guidance contained within the NSCP webpages - including the Neglect Screening Tool – [Neglect Screening Tool](#)

Serious Violence-All staff should be aware of indicators, which may signal that children are at risk from or are involved with serious violent crime. These may include increased absence from school, a change in friendships or relationships with older individuals or groups, a significant decline in performance, signs of self-harm, or a significant change in wellbeing, or signs of assault or unexplained injuries. Unexplained gifts or new possessions could also indicate that children have been approached by or are involved with individuals associated with criminal networks or gangs.

5.2 THE DESIGNATED SAFEGUARDING LEAD

Our DSL is **Laura Gauvrit**, Assistant Headteacher. The DSL takes lead responsibility for child protection and wider safeguarding. During term time, the DSL will be available during school hours for staff to discuss any safeguarding concerns. The DSL can be contacted out of school hours via email: l.gauvrit@huxlow.northants.sch.uk. When the DSL is absent, **Marion Porter**, SENCO and Deputy DSL (DDSL) m.porter@huxlow.northants.sch.uk. If the DSL and DDSL are not available, **Kim Isaksen**, Headteacher k.isaksen@huxlow.northants.sch.uk will act as another point of contact or **Charlotte Wood**, Deputy Headteacher c.wood@huxlow.northants.sch.uk will deputise.

The DSL will be given time, funding, training, resources and support to:

- Provide advice and support to other staff on child welfare and child protection matters
- Take part in strategy discussions and inter-agency meetings and/or support other staff to do so
- Contribute to the assessment of children
- Refer suspected cases, as appropriate, to the relevant body (Northamptonshire Children's Trust, Channel programme, Disclosure and Barring Service, and/or police), and support staff who make such referrals directly
- The DSL will also keep the head teacher informed of any issues, and liaise with Northamptonshire Children's Trust case managers and Designated Officers for child protection concerns as appropriate.

Whilst the activities of the designated safeguarding lead can be delegated to appropriately trained deputies, the ultimate **lead responsibility** for child protection, as set out above, remains

with the designated safeguarding lead; this **lead responsibility** should not be delegated. (*Annex B; Paragraph 2 Keeping Children Safe in Education 2020.*)

The full responsibilities of the DSL are set out in their job description.

The Designated Safeguarding Lead should undergo formal training every two years. The DSL should also undertake Prevent awareness training. In addition to this training, their knowledge and skills should be refreshed, (for example via e-bulletins, meeting other DSLs, or taking time to read and digest safeguarding developments), at least annually.

5.3 THE GOVERNING BODY

Governing Boards and proprietors should ensure that the school or college designates an appropriate senior member of staff to take lead responsibility for child protection. This person should have the status and authority within the school to carry out the duties of the post including committing resources and, where appropriate, supporting and directing other staff.

The governing board will approve this policy at each review, and hold the head teacher to account for its implementation.

The governing board will appoint a Governor Safeguarding Lead Michael Fargher to monitor the effectiveness of this policy in conjunction with the full governing board. This is always a different person from the DSL.

The chair of governors will act as the 'case manager' in the event that an allegation of abuse is made against the head teacher, where appropriate (see appendix 3).

5.4 THE HEADTEACHER

The head teacher is responsible for the implementation of this policy, including:

- Ensuring that staff (including temporary staff) and volunteers are informed of this policy as part of their induction
- Communicating this policy to parents when their child joins the school and via the school website
- Ensuring that the DSL has appropriate time, funding, training and resources, and that there is always adequate cover if the DSL is absent
- Ensuring that all staff undertake appropriate safeguarding and child protection training and update this regularly
- Acting as the 'case manager' in the event of an allegation of abuse made against another member of staff or volunteer, where appropriate (see appendix 3)
- Ensuring the relevant staffing ratios are met, where applicable

6. Confidentiality

Safeguarding children raises issues of confidentiality that must be clearly understood by all staff/volunteers in schools.

- All staff in schools, both teaching and non-teaching staff, have a responsibility to share relevant information about the protection of children with other professionals, particularly the investigative agencies (Children's Services and the Police).
- Staff should never promise a child that they will not tell anyone about an allegation, as this may not be in the child's best interests

- Staff/volunteers who receive information about children and their families in the course of their work should share that information only within appropriate professional contexts.
- Timely information sharing is essential to effective safeguarding
- Information must only be shared on a 'need-to-know' basis, but you do not need consent to share information if a child is suffering, or at risk of, serious harm
- Fears about sharing information must not be allowed to stand in the way of the need to promote the welfare, and protect the safety, of children.
- The Data Protection Act (DPA) 2018 and GDPR do not prevent, or limit, the sharing of information for the purposes of keeping children safe.
- If staff need to share 'special category personal data', the DPA 2018 contains 'safeguarding of children and individuals at risk' as a processing condition that allows practitioners to share information without consent if it is not possible to gain consent, it cannot be reasonably expected that a practitioner gains consent, or if to gain consent would place a child at risk.
- The government's [information sharing advice for safeguarding practitioners](#) includes 7 'golden rules' for sharing information, and will support staff who have to make decisions about sharing information
- If staff are in any doubt about sharing information, they should speak to the designated safeguarding lead (or deputy)
- Confidentiality is also addressed in this policy with respect to record-keeping in section 14, and allegations of abuse against staff in appendix 3.

7. Recognising abuse and taking action

Staff, volunteers and governors must follow the procedures set out below in the event of a safeguarding issue. Please note that in this and subsequent sections any references to the DSL means 'the DSL (or deputy DSL) or headteacher.

7.1 If a child is suffering or likely to suffer harm, or in immediate danger

Make a referral to children's social care and/or the police **immediately** if you believe a child is suffering or likely to suffer from harm, or in immediate danger. **Anyone can make a referral.** Tell the DSL (see section 5.2) as soon as possible if you make a referral directly.

7.2 If a child makes a disclosure to you

If a child discloses a safeguarding issue to you, you should:

- Listen to and believe them. Allow them time to talk freely and do not ask leading questions
- Stay calm and do not show that you are shocked or upset
- Tell the child they have done the right thing in telling you. Do not tell them they should have told you sooner
- Explain what will happen next and that you will have to pass this information on. Do not promise to keep it a secret
- Write up your conversation as soon as possible in the child's own words. Stick to the facts, and do not put your own judgement on it
- Sign and date the write-up and pass it on to the DSL. Alternatively, if appropriate, make a referral to Northamptonshire Children's Trust and/or the police directly (see 7.1), and tell the DSL as soon as possible that you have done so

7.3 If you discover that FGM has taken place or a pupil is at risk of FGM

- The Department for Education’s Keeping Children Safe in Education explains that FGM comprises “all procedures involving partial or total removal of the external female genitalia, or other injury to the female genital organs”.
- FGM is illegal in the UK and a form of child abuse with long-lasting, harmful consequences. It is also known as ‘female genital cutting’, ‘circumcision’ or ‘initiation’.
- Possible indicators that a pupil has already been subjected to FGM, and factors that suggest a pupil may be at risk, are set out in appendix 4.
- **Any teacher** who discovers (either through disclosure by the victim or visual evidence) that an act of FGM appears to have been carried out on a **pupil under 18** must immediately report this to the police, personally. This is a statutory duty, and teachers will face disciplinary sanctions for failing to meet it.
- Unless they have been specifically told not to disclose, they should also discuss the case with the DSL and involve children’s social care as appropriate.
- **Any other member of staff** who discovers that an act of FGM appears to have been carried out on a **pupil under 18** must speak to the DSL and follow our local safeguarding procedures.
- The duty for teachers mentioned above does not apply in cases where a pupil is *at risk* of FGM or FGM is suspected but is not known to have been carried out. Staff should not examine pupils.

Any member of staff who suspects a pupil is *at risk* of FGM or suspects that FGM has been carried out or discovers that a pupil **aged 18 or over** appears to have been a victim of FGM] must speak to the DSL and follow our local safeguarding procedures.

7.4 If you have concerns about a child (as opposed to believing a child is suffering or likely to suffer from harm, or is in immediate danger)

- Figure 1 on page 11 illustrates the procedure to follow if you have any concerns about a child’s welfare.
- Where possible, speak to the DSL first to agree a course of action.
- If in exceptional circumstances the DSL is not available, this should not delay appropriate action being taken. Speak to a member of the senior leadership team and/or take advice Northamptonshire Children’s Trust. You can also seek advice at any time from the NSPCC helpline on 0808 800 5000. Share details of any actions you take with the DSL as soon as practically possible.
- Make a referral to local authority children’s social care directly, if appropriate (see ‘Referral’ below). Share any action taken with the DSL as soon as possible.

EARLY HELP

If early help is appropriate, the DSL will generally lead on liaising with other agencies and setting up an inter-agency assessment as appropriate. Staff may be required to support other agencies and professionals in an early help assessment, in some cases acting as the lead practitioner. The DSL will keep the case under constant review and the school will consider a referral to local authority children’s social care if the situation does not seem to be improving. Timelines of interventions will be monitored and reviewed.

All staff should be aware of the **early help process**, and understand their role in identifying emerging problems, sharing information with other professionals to support early identification and assessment of a child’s needs. It is important for children to receive the right help at the right time to address risks and prevent issues escalating. This also includes staff monitoring the situation and feeding back to the Designated Safeguarding Lead any ongoing/escalating concerns so that consideration can be given to a referral to Children’s Services if the child’s situation does not appear to be improving.

Early Help Links:

- Follow this link: [Early Help](#) to access Northamptonshire's information and support for professionals regarding Early Help.
- The Early Help Strategy Link: [Early Help Strategy](#)
- Early Help Co-ordinator Link: [Early Help Co-ordinators](#)

Staff and volunteers working within the school should be alert to the potential need for early help for children also who are more vulnerable. For example:

- Children with a disability and/or specific additional needs.
- Children with special educational needs.
- Children who are acting as a young carer.
- Children who are showing signs of engaging in anti-social or criminal behaviour.
- Children whose family circumstances present challenges, such as substance abuse, adult mental health or learning disability, domestic violence.
- Children who are showing early signs of abuse and/or neglect.

Referral

If it is appropriate to refer the case to Northamptonshire Children's trust or the police, the DSL will make the referral or support you to do so.

If you make a referral directly (see section 7.1), you must tell the DSL as soon as possible.

The local authority will make a decision within 1 working day of a referral about what course of action to take and will let the person who made the referral know the outcome. The DSL or person who made the referral must follow up with the local authority if this information is not made available, and ensure outcomes are properly recorded.

If the child's situation does not seem to be improving after the referral, the DSL or person who made the referral must follow local escalation procedures to ensure their concerns have been addressed and that the child's situation improves.

7.5 If you have concerns about extremism

If a child is not suffering or likely to suffer from harm, or in immediate danger, where possible speak to the DSL first to agree a course of action.

If in exceptional circumstances the DSL is not available, this should not delay appropriate action being taken. Speak to a member of the senior leadership team and/or seek advice from Northamptonshire Children's Trust. Make a referral to Northamptonshire Children's Trust directly, if appropriate (see 'Referral' above). Inform the DSL or deputy as soon as practically possible after the referral.

Where there is a concern, the DSL will consider the level of risk and decide which agency to make a referral to. This could include [Channel](#), the government's programme for identifying and supporting individuals at risk of being drawn into terrorism, or the local authority children's social care team.

The Department for Education also has a dedicated telephone helpline, 020 7340 7264, which school staff and governors can call to raise concerns about extremism with respect to a pupil. You can also email counter.extremism@education.gov.uk. Note that this is not for use in emergency situations.

In an emergency, call 999 or the confidential anti-terrorist hotline on 0800 789 321 if you:

- Think someone is in immediate danger
- Think someone may be planning to travel to join an extremist group
- See or hear something that may be terrorist-related

7.6 If you have a mental health concern

- Mental health problems can, in some cases, be an indicator that a child has suffered or is at risk of suffering abuse, neglect or exploitation.
- Staff will be alert to behavioural signs that suggest a child may be experiencing a mental health problem or be at risk of developing one.
- If you have a mental health concern about a child that is also a safeguarding concern, take immediate action by following the steps in section 7.4.
- If you have a mental health concern that is not also a safeguarding concern, speak to the DSL to agree a course of action.
- Refer to the Department for Education guidance on [mental health and behaviour in schools](#) for more information.

7.7 Concerns about a staff member, supply teacher or volunteer

- If you have concerns about a member of staff (including a supply teacher or volunteer), or an allegation is made about a member of staff (including a supply teacher or volunteer) posing a risk of harm to children, speak to the headteacher. If the concerns/allegations are about the headteacher, speak to the chair of governors.
- The headteacher/chair of governors will then follow the procedures set out in appendix 3, if appropriate.

7.8 Allegations of abuse made against other pupils

We recognise that children are capable of abusing their peers. Abuse will never be tolerated or passed off as “banter”, “just having a laugh” or “part of growing up”.

We also recognise the gendered nature of peer-on-peer abuse. However, all peer-on-peer abuse is unacceptable and will be taken seriously.

Most cases of pupils hurting other pupils will be dealt with under our school’s behaviour policy, but this child protection and safeguarding policy will apply to any allegations that raise safeguarding concerns. This might include where the alleged behaviour:

- Is serious, and potentially a criminal offence
- Could put pupils in the school at risk
- Is violent
- Involves pupils being forced to use drugs or alcohol
- Involves sexual exploitation, sexual abuse or sexual harassment, such as indecent exposure, sexual assault, upskirting or sexually inappropriate pictures or videos (including sexting)

If a pupil makes an allegation of abuse against another pupil:

- You must record the allegation and tell the DSL, but do not investigate it
- The DSL will contact the Northamptonshire Children’s Trust team and follow its advice, as well as the police if the allegation involves a potential criminal offence
- The DSL will put a risk assessment and support plan into place for all children involved (including the victim(s), the child(ren) against whom the allegation has been made and any others affected) with a named person they can talk to if needed
- The DSL will contact the children and adolescent mental health services (CAMHS), if appropriate

We will minimise the risk of peer-on-peer abuse by:

- Challenging any form of derogatory or sexualised language or behaviour, including requesting or sending sexual images
- Being vigilant to issues that particularly affect different genders – for example, sexualised or aggressive touching or grabbing towards female pupils, and initiation or hazing type violence with respect to boys
- Ensuring our curriculum helps to educate pupils about appropriate behaviour and consent

- Ensuring pupils know they can talk to staff confidentially
- Ensuring staff are trained to understand that a pupil harming a peer could be a sign that the child is being abused themselves, and that this would fall under the scope of this policy

7.9 Sexting

This approach is based on guidance from the UK Council for Child Internet Safety for [all staff](#) and for [DSLs and senior leaders](#).

Your responsibilities when responding to an incident

If you are made aware of an incident involving sexting (also known as 'youth produced sexual imagery'), you must report it to the DSL immediately.

You must **not**:

- View, download or share the imagery yourself, or ask a pupil to share or download it. If you have already viewed the imagery by accident, you must report this to the DSL
- Delete the imagery or ask the pupil to delete it
- Ask the pupil(s) who are involved in the incident to disclose information regarding the imagery (this is the DSL's responsibility)
- Share information about the incident with other members of staff, the pupil(s) it involves or their, or other, parents and/or carers
- Say or do anything to blame or shame any young people involved

You should explain that you need to report the incident, and reassure the pupil(s) that they will receive support and help from the DSL.

Initial review meeting

Following a report of an incident, the DSL will hold an initial review meeting with appropriate school staff. This meeting will consider the initial evidence and aim to determine:

- Whether there is an immediate risk to pupil(s)
- If a referral needs to be made to the police and/or Northamptonshire Children's Trust
- If it is necessary to view the imagery in order to safeguard the young person (in most cases, imagery should not be viewed)
- What further information is required to decide on the best response
- Whether the imagery has been shared widely and via what services and/or platforms (this may be unknown)
- Whether immediate action should be taken to delete or remove images from devices or online services
- Any relevant facts about the pupils involved which would influence risk assessment
- If there is a need to contact another school, college, setting or individual
- Whether to contact parents or carers of the pupils involved (in most cases parents should be involved)

The DSL will make an immediate referral to police and/or Northamptonshire Children's Trust if:

- The incident involves an adult
- There is reason to believe that a young person has been coerced, blackmailed or groomed, or if there are concerns about their capacity to consent (for example owing to special educational needs)
- What the DSL knows about the imagery suggests the content depicts sexual acts which are unusual for the young person's developmental stage, or are violent
- The imagery involves sexual acts and any pupil in the imagery is under 13
- The DSL has reason to believe a pupil is at immediate risk of harm owing to the sharing of the imagery (for example, the young person is presenting as suicidal or self-harming)

If none of the above apply then the DSL, in consultation with the headteacher and other members of staff as appropriate, may decide to respond to the incident without involving the police or Northamptonshire Children's Trust.

Further review by the DSL

If at the initial review stage a decision has been made not to refer to police and/or Northamptonshire Children's Trust, the DSL will conduct a further review.

They will hold interviews with the pupils involved (if appropriate) to establish the facts and assess the risks.

If at any point in the process there is a concern that a pupil has been harmed or is at risk of harm, a referral will be made to Northamptonshire Children's trust and/or the police immediately.

Informing parents

The DSL will inform parents at an early stage and keep them involved in the process, unless there is a good reason to believe that involving them would put the pupil at risk of harm.

Referring to the police

If it is necessary to refer an incident to the police, this will be done by dialling 101

Recording incidents

All sexting incidents and the decisions made in responding to them will be recorded. The record-keeping arrangements set out in section 14 of this policy also apply to recording incidents of sexting.

Curriculum coverage

Pupils are taught about the issues surrounding sexting as part of our PSHE education and computing programmes. Teaching covers the following in relation to sexting:

- What it is
- How it is most likely to be encountered
- The consequences of requesting, forwarding or providing such images, including when it is and is not abusive
- Issues of legality
- The risk of damage to people's feelings and reputation
- Pupils also learn the strategies and skills needed to manage:
 - Specific requests or pressure to provide (or forward) such images
 - The receipt of such images
 -

This policy on sexting is also shared with pupils so they are aware of the processes the school will follow in the event of an incident.

8. Notifying parents

Where appropriate, we will discuss any concerns about a child with the child's parents. The DSL will normally do this in the event of a suspicion or disclosure.

Other staff will only talk to parents about any such concerns following consultation with the DSL.

If we believe that notifying the parents would increase the risk to the child, we will discuss this with the Northamptonshire Children's Trust team before doing so.

In the case of allegations of abuse made against other children, we will normally notify the parents of all the children involved.

9. Pupils with special educational needs and disabilities

We recognise that pupils with special educational needs (SEN) and disabilities can face additional safeguarding challenges. Additional barriers can exist when recognising abuse and neglect in this group, including:

- Assumptions that indicators of possible abuse such as behaviour, mood and injury relate to the child's disability without further exploration
- Pupils being more prone to peer group isolation than other pupils
- The potential for pupils with SEN and disabilities being disproportionately impacted by behaviours such as bullying, without outwardly showing any signs
- Communication barriers and difficulties in overcoming these barriers

We offer extra pastoral support for pupils with SEN and disabilities. This includes:

Interventions in the ESD department, counselling, referrals to Specialist Support Services and any other services available.

10. Pupils with a social worker

Pupils may need a social worker due to safeguarding or welfare needs. We recognise that a child's experiences of adversity and trauma can leave them vulnerable to further harm as well as potentially creating barriers to attendance, learning, behaviour and mental health.

The DSL and all members of staff will work with and support social workers to help protect vulnerable children.

Where we are aware that a pupil has a social worker, the DSL will always consider this fact to ensure any decisions are made in the best interests of the pupil's safety, welfare and educational outcomes. For example, it will inform decisions about:

- Responding to unauthorised absence or missing education where there are known safeguarding risks
- The provision of pastoral and/or academic support

11. Looked-after and previously looked-after children

We will ensure that staff have the skills, knowledge and understanding to keep looked-after children and previously looked-after children safe. In particular, we will ensure that:

- Appropriate staff have relevant information about children's looked after legal status, contact arrangements with birth parents or those with parental responsibility, and care arrangements
- The DSL has details of children's social workers and relevant virtual school heads

We have appointed a designated teacher, Marion Porter SENCO, who is responsible for promoting the educational achievement of looked-after children and previously looked-after children in line with [statutory guidance](#).

The designated teacher is appropriately trained and has the relevant qualifications and experience to perform the role.

As part of their role, the designated teacher will:

- Work closely with the DSL to ensure that any safeguarding concerns regarding looked-after and previously looked-after children are quickly and effectively responded to
- Work with virtual school heads to promote the educational achievement of looked-after and previously looked-after children, including discussing how pupil premium plus funding can be best

used to support looked-after children and meet the needs identified in their personal education plans

12. Mobile phones and cameras

Staff are allowed to bring their personal phones to school for their own use, but will limit such use to non-contact time when pupils are not present. Staff members' personal phones will remain in their bags or cupboards during contact time with pupils.

Staff will not take pictures or recordings of pupils on their personal phones or cameras.

We will follow the General Data Protection Regulation and Data Protection Act 2018 when taking and storing photos and recordings for use in the school.

13. Complaints and concerns about school safeguarding policies

13.1 Complaints against staff

Complaints against staff that are likely to require a child protection investigation will be handled in accordance with our procedures for dealing with allegations of abuse made against staff (see appendix 3).

13.2 Other complaints

Complaints should be directed towards the headteacher in the first instance. Any subsequent complaints for the same incident, should be referred to the Chair of Governors, Mike Fargher chair@huxlow.northants.sch.uk

13.3 Whistle-blowing

Please refer to the school whistleblowing policy which can be located on the school website.

14. Record-keeping

We will hold records in line with our records retention schedule.

All safeguarding concerns, discussions, decisions made and the reasons for those decisions, must be recorded in writing. If you are in any doubt about whether to record something, discuss it with the DSL.

Non-confidential records will be easily accessible and available. Confidential information and records will be held securely and only available to those who have a right or professional need to see them. Safeguarding records relating to individual children will be retained for a reasonable period of time after they have left the school.

If a child for whom the school has, or has had, safeguarding concerns moves to another school, the DSL will ensure that their child protection file is forwarded promptly and securely, and separately from the main pupil file. In addition, if the concerns are significant or complex, and/or social services are involved, the DSL will speak to the DSL of the receiving school and provide information to enable them to have time to make any necessary preparations to ensure the safety of the child.

Most safeguarding concerns are recorded electronically on My Concern. Some additional paper-based records may also be kept if transferred from primary feeder schools in this manner. In addition:

- Appendix 2 sets out our policy on record-keeping specifically with respect to recruitment and pre-employment checks
- Appendix 3 sets out our policy on record-keeping with respect to allegations of abuse made against staff

15. Training

15.1 All staff

All staff members will undertake safeguarding and child protection training at induction, including on whistle-blowing procedures, to ensure they understand the school's safeguarding systems and their responsibilities, and can identify signs of possible abuse or neglect. This training will be regularly updated and will be in line with advice from the 3 safeguarding partners.

All staff will have training on the government's anti-radicalisation strategy, Prevent, to enable them to identify children at risk of being drawn into terrorism and to challenge extremist ideas.

Staff will also receive regular safeguarding and child protection updates (for example, through emails, e-bulletins and staff meetings) as required, but at least annually.

Volunteers will receive appropriate training, if applicable.

15.2 The DSL and deputies

The DSL and deputies will undertake child protection and safeguarding training at least every 2 years.

In addition, they will update their knowledge and skills at regular intervals and at least annually (for example, through e-bulletins, meeting other DSLs, or taking time to read and digest safeguarding developments).

They will also undertake Prevent awareness training.

15.3 Governors

All governors receive training about safeguarding, to make sure they have the knowledge and information needed to perform their functions and understand their responsibilities.

As the chair of governors may be required to act as the 'case manager' in the event that an allegation of abuse is made against the headteacher, they receive training in managing allegations for this purpose.

15.4 Recruitment – interview panels

At least one person conducting any interview for a post at the school will have undertaken safer recruitment training. This will cover, as a minimum, the contents of the Department for Education's statutory guidance, Keeping Children Safe in Education, and will be in line with local safeguarding procedures.

15.5 Staff who have contact with pupils and families

All staff who have contact with children and families for safeguarding purposes will have supervisions which will provide them with support, coaching and training, promote the interests of children and allow for confidential discussions of sensitive issues.

16. Monitoring arrangements

This policy will be reviewed **annually** by the DSL. At every review, it will be approved by the Curriculum and Welfare Committee.

17. Related policies

This policy forms part of a suite of documents and policies which relate to the safeguarding responsibilities of the school.

Huxlow Science College complies with this guidance and the procedures set out by Northamptonshire Safeguarding Children Partnership.

In particular this policy should be read in conjunction with the following school policies:-
