

Year 1 Class Teacher

Fixed Term to 31st December 2023, immediate start for the right person.

Moulton Primary has an exciting opportunity for a newly qualified (2 years' experience) **or** possibly an ECT to join our wonderful school. This is a fix term appointment with immediate start for the right person to 31st December 2023. Salary would be Main Scale and dependant on experience.

At Moulton, our mission is to nurture and develop the 'well-rounded' child – a child that is confident, resilient and motivated, and who has the knowledge and skills to leave us well prepared for a changing world. To achieve this, our children need creative and enthusiastic teachers to support them on their journey and we are looking for the right person to become part of our fabulous team.

At Moulton, we are all about growth and this underpins our commitment to personal and leadership development. We value our staff and are committed to managing workload and protecting their well-being

Our parallel class structure mean that our teams work closely and support each other with all aspects of teaching and learning. Less-experienced teachers work alongside more experienced staff, as we all learn from each other. Our well-planned curriculum provides a great starting point for our themed topics, with a wealth of resources to choose from to make learning meaningful and fun for the children. Our strong support team mean that teachers are regularly released during the school day for training, coaching and leadership responsibilities.

Moulton is a large, village school in a beautiful setting. We have all the values of a traditional village primary but in a modern and well-resourced environment that enables us to provide a broad range of opportunities. Our children are amazing; their behaviour is outstanding and they love learning. Our parents are highly supportive and work with us in partnership to provide the very best for the children.
