

Teaching and Learning Support Assistant

Application Pack

January 2024

Principal's Welcome

Thank you for your interest in our school and the post of Teaching and Learning Support Assistant at Caroline Chisholm School. We have positions in both the Primary and Secondary phases of our all-through school.

Our school is a dynamic and heavily oversubscribed all-through academy which covers an age range from 4 to 19. The school caters for over 2100 students across our Primary phase, Secondary phase, and Sixth Form. The school has an incredibly talented and motivated staff body and a supportive, bright, and extremely well-behaved student body.

We are currently seeking Teaching and Learning Support Assistants within our fully inclusive, all-through learning community. Your role will be to support the students in a positive attitude both in the school and within our school community wider audiences.

The school is currently rated as 'Good' with 'Outstanding' features by Ofsted. Our early years foundation stage provision is judged to be outstanding.

We continue to improve and aim to become one of the highest performing schools in the Northamptonshire area. We are a "High Performance Learning School" and in November 2021, we obtained the "High Performance Learning, World Class School Award". We are now part of the HPL global fellowship and collaborate with schools both locally and internationally.

My vision for the school is that it becomes a centre of excellence in developing innovative teaching as well as being a school that focuses on developing success, confidence, and ambition in all our students. It is therefore important that the successful candidate has a true passion and determination for improving attendance across the school and enabling students to fulfil their potential.

If you feel that our school ethos fits your ambitions, we would very much like to hear from you. These positions are available from January 2024 or as soon as possible.

Regards,

Our school

We are an oversubscribed, academically successful all-through school that strives to develop young people into ambitious, extraordinarily successful, happy, and resilient young adults.

Being an all-through school has a number of benefits for staff, students and parents; children to stay settled, staff can work together across all phases and parents can be assured with a consistent approach to their child's education.

We make learning enjoyable from reception right up to the sixth form. We provide a challenging academic curriculum, coupled with an incredibly supportive pastoral system that values the strengths and talents of the individual student. Our purpose built, modern facilities, provide students with a wealth of exceptional learning spaces, including specialist science laboratories, drama and music studios, a dedicated sixth form study centre and so much more.

Since our opening in 2004, we have progressed as a school to offer both excellent facilities and teaching. We are an Ofsted rated Good school and in 2021, we secured the prestigious World Class School Award following the High Performance Learning philosophy.

Our vision for the future

Our ambition is to become a top 10% school nationally, in all that we do. We are currently working well above this target in a number of areas and, with the help of our whole school staff body which you could be a part of, we continue to strive towards this goal against all measures to become one of the highest performing schools in the country.

*"Pupils are well supported for their next steps in education and training.
Opportunities for extra-curricular activity are highly regarded."*

Ofsted, 2020

Our vision and values

Our school is a safe, secure, and inspirational learning environment at the heart of our community where everyone is equally valued and respected - a community built on:

Ambition

By developing the school culture, where everyone:

- strives to be the best they can become
- aspires to ambitious goals
- nurtures and supports

Confidence

Where everyone develops self-belief by:

- overcoming challenges
- taking calculated risks
- upholding our shared values

Success

Where everyone is inspired to:

- become a high performing learner
- embrace a range of rich and diverse opportunities
- celebrate achievement in all its forms

Our school ethos 'Everyone, Every Lesson, Every Opportunity' carries across all phases of our school. If our ethos fits with your ambitions, we would very much like to hear from you.

High Performance Learning

Our approach to Teaching and Learning is driven by the “High-Performance Learning Framework”. The framework is a practical method for schools and teachers to develop their students' intelligence. At the basis of the framework are the “Advanced Cognitive Performance Characteristics (ACPs)” and “Values, Attitudes and Attributes (VAAs)” that students can develop to become high performers.

The 7 Pillars of High Performance

The background to the “High-Performance Learning” philosophy is our growing understanding of how to create more high performing students. This requires a decisive move away from expecting only a small proportion of students to be able to achieve academic success and towards expecting high performance to be the norm in the school.

We are proud to be awarded the World Class School for High Performance Learning (HPL) award, prestigious, globally recognised award that celebrates the achievements of schools which are amongst the best in the world. Achievement of the award is a confirmation of the school’s ability to provide an exceptional level of education for its students; using the High-Performance Learning approach to enable them to reach high levels of academic performance.

- We believe that everyone in the school, regardless of background or starting point, can achieve the highest academic standards.
- Every member of staff works hard to ensure that students will be equipped with the values, attitudes and attributes that will serve them well in their next endeavours - be that university, apprenticeship, the workplace, and their lives.

Staff joining are given CPD and support to help them implement the High-Performance Learning Framework in their own classroom as part of our induction programme.
